Welcome to 6800 RTE 114 in German town. Located just outside of Alma, this property is the perfect place for a cottage, tourism, or a new home. The location is desirable with proximity to Waterside beach, Dennis Beach, Fundy National Park, and Hopewell Rocks. Follow the long driveway to the center of the property and see for yourself the perfect location to "kick back". Panoramic views of the Shepody National Wildlife Area and distant views of the Bay of Fundy. With The driveway done, and hydro at the road, you are ready to build!!! Approximately 35 acres at the rear of the property is mature mixed hardwood. The front of the property looks to have been cut around 20 years ago. Still very private and lots of new growth. There are also wild blueberries, strawberries, and raspberries growing on the property. (id:12566)
